JULY 27, 2017 at 15:04 hours:

I called Waldon Pond Apartments and checked the 90 Weeping willow address and it never shows anybody by that name in their records living at that address the day manager will get ahold of the property manager and call me back.

JULY 28, 2017 at 15:48 hours:

The following numbers were called, 434-352- [REDACTED] and went to auto voicemail. phone is linked to all his family at [REDACTED] Walton Dr. Appomattox Va and also the 1323 address.

The number, 434-329- [REDACTED] straight to auto voicemail. No return calls from either number.

AUGUST 2, 2017:

Still no answer at the family phone and no calls back from them after leaving messages.

I have not received anything back from waldon pond apartments (855-755- [REDACTED]) I will have to call them again during business hours.

AUGUST 5, 2017:

I called waldon apartments and left message again. Open source Facebook did reveal that Timothy Farrar shutdown his Facebook page in 2016.

AUGUST 9, 2017:

I have been calling and still nothing, the apartment complex that it shows him living at apparently has no record of him living there and I tried to get a hold of them but they are either closed early or it goes to closed extension to leave a message. I've called the phone that goes to his entire family and the bill goes to his parents house. I know they still live at this house because his father is on Facebook and puts photos up of the house on his page. I have called 3 times today and 2 of the 3 times it rang a few times then was sent to voicemail, indicating that they saw the number and disconnected. I've left voicemails but at no time have I received a returned call. I've also looked for court records for all of the counties he has ever lived in and the only records that come up are for the criminal case in 2016. I might try calling the Appomattox sheriffs office because apparently his Dad is the deputy sheriff captain there. Other than that there hasn't been any luck finding a recent car, confirmed location or contact. I will continue to call regularly and check all sources to help find a location we can service him.

AUGUST 10, 2017 at 16:32 hours.

I called Appomattox County Sheriff's office and left a message for Captain Farrar to call me tomorrow. Captain Farrar was out of the office for the day.

AUGUST 11, 2017 at 12:38 hours.

I spoke with Mr Farrar about his son and he didn't know where he's living. Mr Farrar stated all he knew was that his son was an over the road truck driver for a company called Pride trucking out of Florida. Mr Farrar also stated that Timothy married a Mexican lady named Pam and they have not had much to do with Timothy after that. Mr Farrar has not seen Timothy for a very long time. No further information. I am having a check done through the National Insurance Crime Bureau truck division to see if Timothy is a truck driver. I am also checking for a Pam that maybe Timothy Farrar's wife or significant other.
